‡ To San Francisco & Vancouver, additional charge on delivery.

N.B.—With the exception of those marked with an asterisk, all are to be sent by *Canadian Line* only; for Cunard Line, add to the above rates 2 cents for each rate for letters.

The British Post Office forwards letters to Canada by the first packet sailing after the letter is posted, unless the letters bear a special direction,—“By Canadian Packet,” or “By British Packet,”—and in that case, they are kept over for the packet designated. “By Canadian Mail” is not a distinctive superscription; for any mail for Canada is a “Canadian Mail,” by whatever packet forwarded.

Letters for British Colonies and Possessions, beyond sea, and for Foreign Countries, *via* England, must be pre-paid.

The rate on letters for the United States, 6 cents if pre-paid, 10 cents if unpaid.

Registration Charges.—For registration of a letter addressed to any place in British North America, the charge is 2 cents.

For the registration of a letter to the United Kingdom, 8 cts.

For the registration of a letter to the United States, 5 cts.

France, and other countries for which letters pass through France, special rates according to weight.

No letter can be forwarded as registered, unless postage and registration fee are both pre-paid.

Miscellaneous Charges.—The charge on parcels, by Parcel post, to any place in Canada, is 12½ cents per half-pound. (with 5 cents additional, if registered.) No parcel must exceed four pounds in weight.

One cent per ounce, payable in advance by postage stamp, is the rate on printed circulars, prices-current, hand-bills, and other printed matter of a like character; and on books bound or unbound, when posted at a Canadian Post Office, addressed to any place in Canada, British North America generally, or the United States.

The charges upon prices-current, when addressed to the United Kingdom, is 2 cents each, and must be pre-paid by postage stamp.

Postage Rates on certain Miscellaneous Matter passing within the Dominion of Canada, or to and from the United States:—

1.—Packages of seeds, cuttings, bulbs, roots, and scions, or grafts and botanical specimens, may be posted in Canada for delivery within the Dominion, or to an address within the United States, on pre-payment by postage stamp of a rate of one cent per ounce; and when received from the United States, addressed to any place in Canada, such packages may be delivered on payment, by the person addressed, of a like rate.

2.—The limit of weight for such packages will be one pound. No letter or communication intended to serve the purpose of a letter must be enclosed in them; and they must be so put up as to be easy of examination, for the purpose of verifying the alleged contents. If put up in bags, the bags must be simply tied at the neck, so as to admit of inspection; and, in the case of such packages mailed in Canada, the nature of the contents,

such as "*Seeds.*" "*Roots.*" &c., as the case may be, must be marked on the package by the sender, as a statement of the claim to pass at the reduced rate above mentioned.

3. Book and newspaper manuscript, and printers' proof-sheets, (whether corrected or not,) maps, prints, drawings, engravings, photographs (when not on glass or in cases containing glass,) and sheet music (whether printed or written,) to any address in Canada or the United States, may pass in covers open at the ends or sides, and provided that no letter, or other communication intended to serve the purpose of a letter, be enclosed therein, on pre-payment, when posted in Canada, by postage stamp of the ordinary printed-matter rate of one cent per ounce; or upon payment of that rate on delivery on such matter when received in the mails from the United States.

Transmission of Patterns of Merchandise and Samples between Canada, and the United Kingdom, and certain other countries:—

4.—Patterns of merchandise and samples may be forwarded between Canada and the United Kingdom and Denmark, France, Italy, Belgium, the German States, Netherlands, Portugal and Switzerland, by the Canadian packet mails, at book-post rates, and subject to the following conditions:

A—The patterns or samples must not be of any intrinsic value; and this rule excludes all articles of a saleable nature, and whatever may have a value of its own, apart from its mere use as a pattern; nor must the quantity of any material or article, sent as a pattern or sample, be so great that it could have on this ground an intrinsic value.

On this point an explanation in a subsequent Departmental Order, it appears as follows:

B—It has hitherto formed part of the Imperial Post Office regulations that "*samples or patterns must not be of intrinsic value,*" but in consequence of the difficulty that has been experienced in determining what is, and what is not, a pattern or sample of merchandise of intrinsic value, this prohibition has been removed.

The modification is a verbal one, and will not alter nor enlarge in any way, the character of the transmissions permitted to pass by pattern post.

The special prohibition as to intrinsic value, has, it is understood, been withdrawn, not because the question of value will not still influence a decision as to whether an article offered for transmission by pattern post is a genuine commercial sample (or pattern) or not, but because as a general proviso it could not well be enforced; inasmuch as every article whether properly a pattern or sample, or not, has necessarily more or less of an intrinsic value, and might be held to be amenable to a strict construction of this prohibitory clause in the regulation.

C—The patterns, &c., must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, and such like, which cannot be sent in open covers, may be enclosed in bags of linen or other material, simply tied at the neck, or, provided that bags be transparent, they may be en-

tirely closed, if they are for delivery within the United Kingdom. Bags, however, entirely closed, even though they be transparent, must not be used for the transmission of seeds to foreign parts.

D—The rule which prohibited the transmission through the post, as patterns of articles of cutlery, &c., has been rescinded; and scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, and such like articles, are now allowed to be forwarded by the post as samples, provided they be packed and guarded in so secure a manner as to afford complete protection to the contents of the mail bags, and to the persons of the officers of the post office. Such articles, however, must be so packed that they may be easily examined; and it is made a rule that any packets containing such articles, which may be found to be insufficiently guarded, shall not be forwarded through the post.

No packet of patterns or samples, posted for delivery within the Dominion, must exceed 24 oz. in weight.

A packet of pattern or samples sent to France or Portugal, must not exceed 18 inches in length and 12 inches in width or depth; a packet to any other place abroad must not exceed 24 inches in length, or 12 inches in breadth or depth.

The limits of weight are as follows:

Canada.....	24 oz.	Belgium	8 oz.
Great Britain.....	24 "	Netherlands	16 "
France	36 "	Portugal	16 "
Germany	8 "	Denmark	48 "
Italy	36 "	Switzerland	48 "

None of the articles named in the rule D may be sent as patterns or samples to any place abroad, except Germany, Belgium and the British Colonies, and not to these places when addressed "via France."

There must be no writing or printing other than the address of the person for whom the packet is intended, the manufacturer's or trade mark and number, and the prices of the article.

Any infringements of the above regulations will render the packet liable to be treated and charged as a letter.

The rule which forbids the transmission through the Post of any article likely to injure the contents of the mail-bags will apply to patterns and samples; any package transgressing this rule is to be sent to the Postmaster-General.

Transmission of Patterns and Samples within the Province of Canada:—

Patterns or samples of merchandise and goods for sale may be posted in Canada to be forwarded to any place within the Province, on prepayment by postage stamp of a rate of one cent per ounce, under the following regulations:

I.—Patterns or samples must be sent in covers open at the ends so as to be easy of examination. Samples, however, of seeds, drugs, and so forth, which cannot be sent in open covers, may be enclosed in bags of linen or other material, fastened in such a manner that they may be readily opened—or in bags entirely closed, provided that they be transparent, so that the offi-

cern of the Post Office may be able to satisfy themselves as to the nature of the contents.

II.—The packet may bear on the *outside* the address of the sender in addition to the address of the person for whom it may be intended—also a trade mark and numbers, and the price of the articles enclosed—*inside*, there must be no enclosure but the samples or patterns themselves—the particulars, however, of the trade marks, numbers and price, may be marked on the articles themselves instead of on the *outside* of the packet at the option of the sender.

III.—Any sample or pattern packet containing a letter, or otherwise violating the conditions of the preceding rules is to be rated and treated as a letter.

IV.—The rate of 1 cent per ounce is to be prepaid by Postage Stamp,—and if such rate be not fully prepaid, by the stamps affixed—the package is to be rated with the deficient postage and a fine of five cents in addition.

V.—Packets of samples and patterns may be registered on prepayment by postage stamp of a registration fee of 5 cents in addition to the postage rate—and provided such packets be duly handed in to the Post Office for registration.

A registration receipt or certificate should always be given for such packages when presented for registration.

VI.—No packet of samples or patterns must exceed 24 ounces in weight; any packet exceeding that weight is to be sent to the Postmaster-General.

Book Post.—Books, bound, or unbound, posted in Canada, and addressed to any office in the Dominion, British America, and the United States, are chargeable with the rate of one cent per ounce which must be pre-paid by postage stamps.

Book packets are forwarded by post from Canada to the United Kingdom *vice versa*, by Canadian steamer, at the following rates:—For each packet,

Not more than 1 oz.	2	cts.
Exceeding 1 oz., and not exceeding 2	4	cts.
2 oz.	6	cts.
4 oz.	8	cts.
1 lb.	13	cts.
12 oz.	24	cts.
1 lb.	80	cts.

And so on, the scale progressing throughout by a single rate for every four ounces.

And by Cunard packet:—

	Not more than	1 oz.		4 cts.
	Exceeding	1 oz., and not exceeding	2 oz.	6 "
"	"	"	" 2 oz. and " 4 oz."	8 "
"	"	4 oz.	"	8 "
"	"	8 oz.	"	12 "
"	"	12 oz.	"	16 "
"	"	"	" 1 lb."	24 "
"	"	"	" 2 lbs."	29 "

And so on, adding one rate for every four ounces.

5.—No prints or printed matter will be allowed to pass by

book post between the United Kingdom and Canada, unless printed on paper, parchment, or vellum.

Book packets addressed to the United Kingdom can be registered on payment of the ordinary registration fee (9 cents) in addition to the postage.

Book Post with France.—For a packet of printed matter, or single newspaper, book, &c., not over 2 ounces 4 cents.

Ditto, exceeding 2 ounces, and not over 4 ounces 8 "

Ditto, " 4 ounces, do 16 "

Ditto, " 8 ounces, do 32 "

And so on, increasing 16 cents for every additional half-pound.

The Book-post Regulations between Canada and England apply to matter between Canada and France.

Newspapers and Periodicals.—Newspapers published in Canada may be sent by post from the office of publication, addressed to any place in Canada, at the following rates, if paid quarterly in advance, by either the publisher at the post office where the papers are posted, or by the subscriber at delivering post office:—

For a paper published 6 times a week 30 cents per quarter.

Do do 3 times a week 15 "

Do do 2 times a week 10 "

Do do 1 time a week 5 "

When the above rates are not paid in advance, by either publisher or subscribers, such papers are charged one cent each on delivery.

Transient Newspapers.—Transient newspapers, that is to say, Canadian Newspapers, posted otherwise than from the office of publication, and American or British papers posted or re-posted in Canada, must be prepaid two cents each, by postage stamps, or they cannot be forwarded; except only British newspapers distributed to regular subscribers by Canadian booksellers and news-agents, such papers pass free, as they would do if received in the Canadian Packet Mail.

Newspapers by Mail from England or United States.—Newspapers received from England by the Canadian Packet Mails are delivered free.

Newspapers from England by the Cunard Packet are charged 2 cents each on delivery. (This is the American transit charge.)

United States newspapers, to regular subscribers, are charged 1 cent each on delivery. Transient papers two cents each.

Periodicals passing by Mail in Canada.—

The rate on all periodicals, other than newspapers, passing by mail in Canada, save such as may be addressed to or received from the United Kingdom, will henceforth be one cent per four ounce weight of package containing periodical matter, whether the package contain one or more numbers.

Any fraction of 4 ounces to be charged as a full rate.

Periodicals weighing less than one ounce per number, posted in Canada for any place within the Dominion, when sent singly pass for one-half cent per number, if prepaid by stamp.

The above rate will be payable on *delivery* on all periodical matter received from the United States, except that Canadian editors may receive exchange periodicals from the United States free of Canadian postage.

Canadian Periodicals, posted for United Kingdom by Canadian Packets.—Periodicals, printed and published in Canada, may be posted, addressed to any place in the United Kingdom, by *Canadian Packet*, on pre-payment by postage stamp of 2 cents each number.

This rate will be applicable to all classes of Canadian periodicals posted as above for the United Kingdom. No package of Periodicals can be sent through the post if it exceed four pounds in weight.

Postage Stamps.—Postage Stamps of the respective value of $\frac{1}{2}$ cent for small periodicals; 1 cent for newspapers; 2 cents for prices current for the United Kingdom; 3 cents for ordinary Provincial letters; 6 cents for United States rate; 6 cents for Canadian Packet; and 8 cents for Cunard Packet,—are provided for sale to the public.

Penal Clause.—The Act contains the following penal clause: To enclose a letter or letters, or in writing intending to serve the purpose of a letter, in a parcel posted for the parcel post, or to enclose a letter, or any writing, or make any written marks to serve the purpose of a letter, or to enclose any other thing in a newspaper, posted to pass as a newspaper, at the rate of postage applicable to newspapers (except in the case of accounts and receipts of newspaper publishers, which are permitted to pass folded within the newspapers sent by them to their subscribers,) is an offence punishable by a penalty of not less than ten and not exceeding forty dollars.

MONEY ORDERS.

Money Orders on Canada.—All the Money-Order Post Offices in Ontario, Quebec and New Brunswick, are authorized to draw Money-Orders on each other for any sum up to \$100, and for as many Orders of \$100 each as the applicant may require, upon the following terms, viz.:

On Orders over \$80, and up to \$100..... 50 "

Money Orders on the United Kingdom.—The Money Order Offices in the Dominion also draw upon all the Money Order Offices in England, Ireland, and Scotland, and the Channel Islands, for any sum up to £10 sterling, and grant as many Orders for £10 sterling each, as may be needed to make up the amount to be remitted. The terms are as under:—

Money Orders on the Lower Provinces.—The Money Order Offices in Ontario, Quebec and New Brunswick, draw also upon Money Order Offices in Nova Scotia, Prince Edward Island, and Newfoundland. The Orders like those of the United Kingdom, are made payable in Sterling money, and for sums up to £10 sterling. The terms are:—

For Orders up to £5 25 cents.
For Orders over £5, and up to £10 50 "

The Money Order Post Offices in the Dominion are furnished with lists of all the Money Order Offices in Canada, the United Kingdom, Nova Scotia, New Brunswick, Prince Edward Island and Newfoundland; and the Postmasters are instructed to afford every information in their power, in respect of the places upon which they draw, together with any other information relating to such issues as the intending remitters may desire.

POST OFFICE SAVINGS BANKS.

The Post Office Savings Banks, established by Statute in the last Session of Parliament, commenced operations in Ontario and Quebec on the 1st April, 1868.

2. The direct security of the Dominion is given by the Statute for all deposits made.

3. At each Savings Bank Post Office, the Savings Bank regulations may be read by the public, giving full information with respect to the mode of depositing and withdrawing money, and these regulations are printed on the cover of the Pass Book supplied to each depositor.

4. Any person may have a deposit account, and deposits are received daily, during the ordinary hours of Post Office business, of any number of dollars, from \$1 up to \$300, the total amount which can be received from a Depositor in any one year, except in cases to be specially authorised by the Postmaster-General.

5. The Postmasters of the Savings Bank Offices will act as agents for the receipt of the money deposited for transmission to the Postmaster-General, and for the Payment by the Postmaster-General of money withdrawn by depositors.

6. Each depositor is supplied with a Pass Book, and the sums paid in or withdrawn, are entered therein by the Postmaster receiving or paying the same. In addition, a direct receipt for each amount paid in, is sent to the depositor from the Postmaster-General, and the Postmaster-General will issue a cheque, payable at any Post Office Savings Bank desired, for any sum withdrawn.

7. Every depositor's account is thus kept with the Postmaster-General, and a depositor may pay into his or her account with the Post Office Savings Bank, at any of the Savings Bank Post Offices which at the time may best suit his convenience, and exercise the same choice in drawing out money, subject only to the obligation of producing the Pass Book, in proof of identity—whenever paying in or drawing out money.

8. Interest at the rate of 4 per cent. per annum is allowed on deposits lying in the ordinary deposit accounts, but when a

depositor has \$100 deposited, he or she may request the Postmaster-General to transfer this sum to a special account, and will then receive a Certificate of such special \$100 deposit, bearing interest at 5 per cent per annum.

9. Postmasters are forbidden by law to disclose the name of any depositor, or the amount of any sum deposited or withdrawn.

10. No charge will be made to depositors on paying in, or drawing out money, nor for postage on communications with the Postmaster-General in relation thereto.

11. The Postmaster-General will be always ready to receive and attend to all applications, complaints, or other communications addressed to him by depositors or others, relative to Post Office Savings Bank matters.

12. Additional Post Offices will, from time to time, be authorized to act as Savings Bank agencies.

8. Goods under a removal Bond from one Canadian Port to another Canadian Port, may be carried in any British registered vessel or boat, trading Coastwise with a proper License and Cargo Book upon such goods being properly entered in the Cargo Book and in the account or Transire, in duplicate, the Collector at the Port from which such goods are removed, being required to forward by Mail, to the Collector of the Port for which the goods are destined, all the particulars and description of the goods so forwarded, and the Packages shall be properly marked in Red as now provided, but no goods under Bond shall be carried in any Coasting Vessel or Boat until the Master has delivered an account in duplicate or transire to the Collector of Customs at the Port of lading.

10. 11. Officers of Customs may board any Coasting Vessel or Boat in any Port or Place, and at any period of the voyage search her and examine all goods on board, and demand all the documents which ought to be on board; and the Collector may require such documents to be brought to him for inspection.

12. No Fishing Boat, or boat used in Ferrying, under 15 tons burthen, shall, except by special license or permission, carry any goods from a Foreign Country, which are liable to duty, under pain of seizure, unless the same (in the case of Ferry Boats) be for the sole use of some passenger then on board.

13. No goods can be carried in any Coasting Vessel or Boat, except such as are laden to be so carried at some port or place in Canada, and no goods shall be taken into or put out of any Coasting Vessel or Boat while on her voyage, by River, Lake or Sea.

14. The Transire Coastwise required by these regulations may in the case of any steam vessel carrying a Purser, be signed by such Purser with the like effect in all respects, and subject to the like penalty on the Purser, and the like forfeiture of the goods, in case of any untrue statement in the transire, as if the transire was signed by the Master; and the word *Master* for the purposes of these regulations shall be construed as including the Purser of any steam vessel; but nothing herein contained shall preclude the Collector or proper officer of Customs

from calling upon the Master of any steam vessel to answer all such questions concerning the vessel, passengers, cargo, and crew, as might be lawfully demanded of him if the report had been made by him, or to exempt the Master from the penalties imposed by these regulations for failure to answer any such question, or for answering untruly, or to prevent the master from making such report, if he shall see fit so to do.

15. The Coasting Regulations of the late Province of Canada, dated the 12th April, 1861, and all regulations heretofore existing in the Province of New Brunswick or Nova Scotia in reference to Coasting in any of the said Provinces are hereby repealed.

It having been enacted by Chap. 9 Sec. 22, 23rd Victoria, that the Governor may grant yearly Coasting Licenses to British Vessels navigating the inland waters of Canada above Montreal, although such vessels may sometimes make voyages to Foreign Ports, it is hereby Ordered that the Bonds to be given by the Master or Owner of such vessel, on taking out such License shall not contain the condition provided for in Section 3 of said Regulations, "that such Vessels or Boats shall not be employed in the Foreign Trade," but that it shall be a condition of such Bond that whenever any such Vessel or Boat is employed in a voyage to or from a Foreign Port, the master or other proper officer thereof, shall report inwards and outwards, in all respects, as though he had not received such Coasting License.

R. G. DUN & CO., London, England.

Our object and that of our TWENTY-EIGHT Branch and Asso-
 ciate Offices, in the large cities of the United States of America,

Dominion of Canada, and in London, England, is to give information to Subscribers, of the standing of those who purchase Goods on time or otherwise require CREDIT.

REFERENCE BOOK containing names and ratings of 35,000 Traders in all parts of the Dominion, published semi-annually. Weekly sheets of corrections furnished to Subscribers.

We are supported by fully Three-Fourths of the Merchants, Bankers, Manufacturers, of every community where our advantages are known.

"This Institution, established in the City of New York over twenty-seven years ago, for the promotion and protection of trade, was the first organized effort ever made to relieve the Merchants and Manufacturers of the Union from the insecurity of credit operations, and to substitute for the tardy, expensive, and unsatisfactory results of individual investigation, a *system* that should be alike prompt, economical, and reliable—whose purpose it should be to supply (to subscribers only) all necessary information as to the standing and responsibility of Merchants, Traders, Manufacturers, Public Companies, &c., throughout the United States, their Territories and British North America.—*N.Y. Tribune*.

Collection of past due Debts particularly attended to for all, whether Subscribers to the Agency or otherwise.

Terms of Subscription will be made known at the Office, where we shall be much pleased to afford information as to the system pursued, and to give (free of expense) to those who contemplate joining the institution a reasonable *test* of the correctness of our reports.

POLICIES PAYABLE DURING LIFETIME.

The important and peculiar feature originally introduced by this Company, in applying the periodical Bonuses, so as to make Policies payable during life, without any higher rate of premiums being charged, has caused the success of the **BRITON MEDICAL AND GENERAL** to be almost unparalleled in the History of Life Assurance. *Life Policies on the Profit Scale become payable during the lifetime of the Assured, thus rendering a Policy of Assurance a means of subsistence in old age, as well as a protection for a family, and a more valuable security to creditors in the event of an early death; and effectually meeting the often urged objection, that persons do not themselves reap the benefit of their own prudence and forethought.*

No. 56 ST. FRANCOIS XAVIER STREET,
MONTREAL.

FIRE DEPARTMENT.

Assurances may be effected on almost all kinds of Property.
Short period Policies will be issued on Grain and Country Produce.
All losses satisfactorily established will be paid without reference to the Board in London.

LIFE DEPARTMENT.

This Corporation has granted Assurances on Lives FOR A PERIOD EXCEEDING ONE HUNDRED AND FORTY YEARS, having issued its first Policy on the 7th June, 1721.

Two-thirds of the entire profits, WITHOUT ANY DEDUCTION FOR EXPENSES OF MANAGEMENT, are allotted to the Assured. This arrangement will be found to be more advantageous to the Policy-holders than an apparently larger proportion of the profits, subject to the expenses of management. The profits are declared at the end of every five years, and the share of the Policy-holders may be appropriated either in increase of the Sum Assured, or as an immediate Cash payment.

LIFE ASSOCIATION of Scotland.

INVESTED FUNDS UPWARDS OF \$6,605,000.

This Institution differs from other Life Offices, in that the

BONUSES FROM PROFITS

Are applied on a special system for the Policy-holder's

PERSONAL BENEFIT AND ENJOYMENT DURING HIS OWN LIFETIME,

With the option of LARGE BONUS ADDITIONS to the sum Assured.

The Policy-holder thus obtains

A LARGE REDUCTION OF OUTLAY AT PRESENT,

OR

**A PROVISION FOR OLD AGE OF A MOST
IMPORTANT AMOUNT IN ONE CASH-
PAYMENT, OR A LIFE ANNUITY,**

Without any expense or outlay whatever beyond the ordinary Assurance Premium for the Sum Assured, which remains intact for the Policy-holder's heirs, or other purposes.
